Reminder note for prescriber: ORC 3313.718 requires backup epinephrine autoinjector and best practice recommends backup asthma inhaler.

Parent/Guardian Authorization

I authorize an employee of the school board to administer the above medication. I understand that additional parent/prescriber signed statements will be necessary if the dosage of medication is changed. I also authorize the licensed healthcare professional to talk with the prescriber or pharmacist to clarify medication order.

Medication form must be received by the principal, his/her designee, and/or the school nurse. I understand that the medication must be in the **original** container and be properly labeled with the student's name, prescriber's name, date of prescription, name of medication, dosage, strength, time interval, route of administration and the date of drug expiration when appropriate.
